Autism Friendly Film screenings

We offer Autism Friendly Screenings at over 250 cinemas in partnership with Cineworld, ODEON, Showcase and Vue cinemas.

Every month, each participating cinema shows a different film from a selection of new releases and classics including Pixar animations, Disney adventures and many more films suitable for all age ranges.

What makes the screenings autism friendly?

The lights will be on low
The volume will be turned down
There will be no trailers at the beginning of the film
You'll be able to take your own food and drinks
You'll be able to move around the cinema if you like**

**Guests are reminded not to run inside the cinema and children are to be supervised at all times.
